

KANSAS  
HANDBOOK  
High School & Jr. High School

The goal of the Kansas High School Rodeo Association is to provide an opportunity for young rodeo athletes to compete in high quality rodeos and promote good sportsmanship. It is a learning opportunity as the students strive to maintain good grades and practice to improve their rodeo skills. High School Rodeo teaches responsibility for performance animals and humane treatment of rodeo stock.

The Kansas High School Rodeo Association follows the National High School Rodeo (NHSRA) rulebook. The rules and guidelines contained in that rulebook will be the final determining factor in all areas of conduct.

However, as with all associations, KHSRA has some policies and procedures that are unique. Some policies change on a yearly basis in response to changes in the association. This handbook is an attempt to detail those policies.

The Jr. High Division of the Kansas High School Rodeo Association follows all the same policies and guidelines and has the same board of directors. The Kansas Jr. High division was organized in 2004. The first year there were 43 members and only had a state finals rodeo. By 2008-2009, the association had grown to 60 members and held 8 qualifying rodeos and a state final. In May of 2011 the Kansas High School Rodeo Association merged the high school and Jr. high division into one association since they fall under the guidelines of NHSRA and the Jr. High division is a sub-division of the high school association. The board of directors serves both. The high school national director can appoint a Jr. high national director if he/she so chooses.

KHSRA/KJHSRA is a 501c3 not for profit organization. All financial records are available in the rodeo office with the state secretary at all rodeos. Appointments to see the financial records at another time besides rodeos, can be made with the president and/or state secretary by contacting them.

Suzan Adams • 7762 Old Stage Rd •  
Junction City, KS 66441 •

**Non-Members**

Non-members may enter 1 rodeo (both days) per year. The forms and information are on the website in the Official Documents section. The forms and fee payment must be mailed to Suzan and received by her prior to the rodeo.

**Team Roping and Jr. High Ribbon Roping Partner Information**

It is up to the contestants to find partners for these two events. The state secretary can help get the word out on the website and/or facebook page but the ultimate responsibility lies with the contestant. When you have no partner, you are allowed to draw a maximum of 4 times for a partner (not 4 week-ends but 4 times). If you have a regular partner for these events, but he/she can't make it that week-end, you can be put in the team roping draw. The same rule applies – you can only draw 4 times. There will be a list of volunteers and the rodeo secretary draws from those names to determine your partner. You can't choose your partner for the draw.

**Goat Break In**

Goat Break in is optional. This is done if the goats are fresh. It is up to the adult and student goat directors to coordinate this and let the state secretary or rodeo secretary know if one will be held. If it is held, it will be 3 hours prior to the start time of the rodeo.

**4D Barrels and 3D Poles Optional Sidepots**

At each rodeo we offer both a 4D barrel and 3D poles sidepot. The fees for this are \$30.00 per day per event and these are on top of the regular fees for the rodeo. The times are based on your rodeo run. You must pre-enter these sidepots when you enter the rodeo. The barrels are setup in a 4D format with a half, half, whole split. The poles are setup with a 3D format with whole second splits between divisions. Results are done the same day and posted, but the

secretaries reserve the right to mail checks for these optional events.

### **Kansas High School Rodeo Fund Raising**

Please see our KHSRA website under the Official Documents Page and then click on Responsibility Agreement form to see the different fund raiser options that are listed for the current year. **The due dates for turning in sponsorship money will be announced and posted to the website. There will be a \$50 late fee for turning money in after that time.** If a member fails to turn in the money by April 1<sup>st</sup>, they will not be allowed to enter the state finals. The financial requirements for high school and jr. high are different, so please make sure that you understand what you are responsible for

### **Sponsorship Information**

Since each event saddle costs approximately \$1250-\$1500, we ask that each event director be responsible for organizing his/her event and participate in a sponsor drive to raise at least \$1000. Parents are also asked to work at raising additional sponsorship funds. In order to have the same information available to everyone; we have developed different levels of sponsorships. The information has been handed out in your membership packets at the first rodeo that you attend. Please review your sponsorship packet as levels may have changed from past years.

Sponsorship Benefit levels ranging from \$1-\$2000 is included in your sponsorship packets. Please make additional copies, which you will hand out to your potential sponsors. We have found that most companies begin their advertising budget for next year, in the fall. By getting this information into their hands early, they have the opportunity to plan on which level they would like to sponsor high school rodeo. The key is to touch base with them early and follow up. These forms will also be located on the website at [www.khsra.net](http://www.khsra.net) for your convenience and our sponsors. One thing to remember, you don't know until you ask. So don't prejudge anyone, give him or her the opportunity to decide.

Calendar/raffle sales and Sponsorship sales are *two separate* incomes for the association. These changes were made in an effort to make it less confusing for the members.

The minimum required sales/fund raisers alone **DO NOT COVER** the cost of all the awards at state. It is very important that everyone participate in the sale of sponsorships on a voluntary basis.

### **Dress Code**

Contestants are required to be in full western dress one hour before the rodeo begins (does not include when cutting starts, but the actual rodeo). The start of the rodeo does not include the cutting contest. However, if you are in the arena, during the cutting contest, you are required to be in full western dress. Contestant and helper (adult and/or parent) if in arena must be in full western dress code. Contestant must be in western attire to check in with the rodeo secretary if it is one hour or less before/after the start/end of the

rodeo. Contestants are required to be in western dress until the rodeo is complete. If the rodeo is a co-sanction rodeo with KJHSRA, you must remain in western attire until your rodeo is complete. For example, if you are a high school member and the high school rodeo ends first, you can change after the last person goes in the last event even if the Jr. High rodeo is still going on. Your back numbers go on your back, not pinned to your belt on your hip.

**A \$25.00 fine can be assessed by any member of the executive board for dress code violations. If a fine is assessed, you can't compete in another rodeo until this fine is paid to the rodeo secretary.**

### **Back Numbers**

If your back tag is torn up you may bring it back for a replacement. **If you lose or forget your back number you may purchase a new one for \$10.**

### **Grades**

Grade cards must be submitted to the state secretary for grade verification prior to the grand entry of the first rodeo they are entering for both semesters, or they will not be allowed to rodeo until such time they are submitted. New members must submit their latest grade card with membership application.

A contestant is required to be passing at least 70% of the classes taken.

They will remain on the board until the completion of the National Finals Rodeo of the year their term expires. The State Secretary will be a non-voting member of the board. ### **State Qualification and Year End Points**

How Do I qualify for KHSRA State Finals? Every KHSRA member must be a member in good standing. A member in good standing means:

1. You are academically eligible.
2. You have met the calendar requirements (fall members) or the sponsorship requirements for new spring members.
3. You have submitted the required entry forms to compete at the KHSRA State Finals.
4. You have entered and competed in a state-qualifying rodeo in each event that you plan on competing in at the State Finals.
5. If a contestant draws out prior to the designated draw out deadline on the finals forms, the contestant would receive 100% of all entry

fees back. Turnouts will receive no entry fee money back.  
 6. You do not have to have any points in an event to enter that event in finals, However, you have to have entered the event at least one time during the season.

**Finalist Coats** – To be eligible to receive a finalist coat, a contestant must enter and compete in state finals. If there is a medical issue, a medical release must be presented to the rodeo secretary and fees must be paid to be considered entered to receive the coat.

**KHSRA Point System to qualify for Nationals**

- The accumulative point system is used for qualification for nationals.
- Points awarded per event at a qualifying rodeo:

- 1<sup>st</sup> .....10
- 2<sup>nd</sup> .....9
- 3<sup>rd</sup> .....8
- 4<sup>th</sup> .....7
- 5<sup>th</sup> .....6
- 6<sup>th</sup> .....5
- 7<sup>th</sup> .....4
- 8<sup>th</sup> .....3
- 9<sup>th</sup> .....2
- 10<sup>th</sup> .....1

- Points from 13 of your best qualifying rodeos for high school and 8 for Jr high will be carried into State finals. Cutting is optional and we will count 65% of the qualifying rodeos (your top scores from the 65%).
  - (Example – If we have 20 qualifying rodeos (each day is a rodeo) you will be allowed to carry your best 13 rodeos to state finals, a max of 130 pts.)

- Points won at State Finals:

	<b>1<sup>st</sup>-2<sup>nd</sup> and short round</b>	<b>Average</b>
◦ 1 <sup>st</sup> .....	10 .....	15
◦ 2 <sup>nd</sup> .....	9 .....	13.5
◦ 3 <sup>rd</sup> .....	8 .....	12
◦ 4 <sup>th</sup> .....	7 .....	10.5
◦ 5 <sup>th</sup> .....	6 .....	9
◦ 6 <sup>th</sup> .....	5 .....	7.5
◦ 7 <sup>th</sup> .....	4 .....	6
◦ 8 <sup>th</sup> .....	3 .....	4.5
◦ 9 <sup>th</sup> .....	2 .....	3
◦ 10 <sup>th</sup> .....	1 .....	1.5

- These points will be won in the 1<sup>st</sup> round, 2<sup>nd</sup> round, and short round. Points for the average will be earned as shown under

average column.

Max points brought into finals =130 points (based on 20 rodeos which could change depending on the # of rodeos we have in a given year). Maximum points possible at finals is 45 points.

1<sup>st</sup> go = 10  
2<sup>nd</sup> go = 10  
3<sup>rd</sup> go = 10 (short round)  
Avg = 15  
Total 45 points

- The final round at state finals will be the top 15-point winner for the year-end, not necessarily the top 15 in the rodeo average. Points carried into the rodeo plus points won in the first and second round will be the top 15 in the final round. Only contestants who compete in the final round will be eligible for average points.

**Option B:** (used for figuring All Arounds **at** state finals)

1. In each event 450 points will be offered by the Association, either State/Provincial. From this, Secretary will deduct 150 points to be paid for the Finals. This is to be done on one go- round and a finals and on two go- rounds and a finals. To the remaining 300 points will be added ten (10) points for each contestant entered in that event. These totals are the points to be split for the go- round and average.

- a. On two head of stock the average will be the same as go round points in all events. The total points to be divided by three when there are no finals.
- b. On three head of stock the average will be one and one half times the go- round points in all events.
- c. On one go and a finals, the average and go- round points will be equal.

In order to receive points in a go- round, finals or average, a contestant must earn a place by making a qualified score or time in that event. Points not earned will not be awarded. All go- rounds, finals and average points are to be split on the basis of 40% for 1st; 30% for 2nd; 20% for 3rd; and 10% for 4th. The contestant qualifying on the most head of stock will have point precedence in placing in the average over the contestant who qualified on less head of stock, regardless of total scores.

**Number of entries and payback-**

1-3 Contestants.....1st 100%  
4-7 Contestants.....1st 60% - 2nd 40%  
8-11 Contestants....1st 50% - 2nd 30% - 3rd 20%  
12-15 Contestants...1st 40% - 2nd 30% - 3rd 20% 4th 10%

16 plus contestants..1st 33% - 2nd 27% - 3rd 20% 4th 13% - 5th 7%

Payback will not exceed five (5) monies. **Ground money will be NOT be paid back if there are no qualifiers.** If no one has a qualified time/ride the 1st day of the rodeo week-end, the money will be carried to the 2nd day. If no one has a qualified ride/score the 2cd day, the ground money will be split between the senior scholarship fund and the general membership fund. In the case of tie, monies will be added together and then divided by the number of contestants tied.
